## Premise: *Communication*

 **To the Editor**

To all at THEMA:

Thank you for a great publication, and also thank you for inclusion of my story, “Dunken” [THEMA 25:3, autumn 2014]. There are some really great writers in this issue, and I am honored to be a small part of Eye-glasses Are Needed. As usual the artwork is great, the poetry is great, the work from you folks is once again top-shelf. Thanks for that, what you do is very important.

I’ve enjoyed your journal greatly through the years and used your themes as inspiration for my Creative

Writing students: thank you!

I have just discovered THEMA! I really like the challenge of working with a theme.

 **Authors’ Notes**

The flash fiction piece, “Bewitched,” was great fun to write. The only truth to the story is the endearment used by my husband for his truly left-handed and left-brained wife.
